It's a great idea to secure your credit through having insurance for the non-payment of credits by the customers.

Credit Insurance:

Credit is the backbone of most businesses and it may be extended to the local as well as the international marketplace. Hence, it's a great idea to secure your credit by having insurance for the non-payment of credits by the customers.

We take that risk out of the equation.

At Oasis, we can protect you against your credit so that at no stage in life, should you feel devastated by non-payment of credit you provided to the customers.

Credit Insurance enhances your credit rating with various agencies and your suppliers which will enable you to rapidly grow your business.

The policy that we provide shall secure you on many fronts than one. Therefore, get in touch with us.

A Company with Appeal

Oasis Insurance was truly designed with the customer in mind.

Oasis Insurance was truly designed with the customer in mind. Established in 2005, the company began to expand with aggressive business strategies and focus on improving and simplifying the customer buying journey. Although we have grown tremendously, we still hold to our belief that the customer is always at the heart of the business and the reason for everything we do.

Through advancements in more efficient systems and procedures, Oasis has made improvement to serve its customers. It has made doing business easier and have made business transactions more flexible.

Oasis Insurance operates with the philosophy that the customer is number one. It is not just something they say, it is the root of all they do.
