Motor Insurance:

Sometimes, it is to your benefit to insure your vehicle for more than the value of it. There can be a number of reasons behind your need. We've got you covered and will exceed your expectations on your policy coverage, guaranteed.

We are experts when it comes to client servicing. And we should be - we own the claim team. At Oasis Insurance, we collect the details and coordinate with the insurance companies so you don't have to.

We take the hassle out of the entire process. If you have ever dealt with an insurance company, you will certainly appreciate this service. We are pros at making personal contacts with insurance companies and making sure you are well taken care of without any hitches.

At Oasis Insurance, we also offer end to end services. To eliminate complicating matters with a middle man and to make sure you are served in the most efficient manner possible, one designated representative of our team will see your transaction through, start to finish.

If you have questions or concerns, you will have a personal representative to turn to. You also have the option to continue with the 'other' companies' insurance cover as well.
